## 22 Persons Hurt in 13 Of 23 Area Accidents

**Heavy Traffic Here  
On Pleasant Weekend  
Blamed for Mishaps**

Heavier-than-usual traffic, resulting from the pleasant weekend weather, was blamed by authorities for the traffic accident injury toll in the Granite City area. Injuries were suffered by 22 persons in 13 of 23 crashes.

Three persons were injured when autos driven by Kathleen Hauptman, 16, of 2600 Center street, and Gail E. Phelps, 44, of 2008 East 23rd street, collided at 7:56 p.m. Sunday at East 23th and Kate streets.

The Hauptman girl and a passenger, Jerry Webb, 18, of 4513 Vine blvd., were taken to St. Elizabeth Hospital. She was treated for cuts to the nose and contusions and abrasions to her arms and knees. He suffered nose injuries. Both were released.

Phelps, who was charged with improper lane usage, complained of pains.

**Three Persons Injured**  
Three persons were injured when an auto driven by William Jateff, 49, of Akron, O., slowed to make a left turn and was struck from behind by another driven by Audrey Birch, 44, of 2139 Delmar avenue, at 1:15 p.m. Saturday at Namack road and Wabash avenue.

Jateff was admitted to St. Elizabeth Hospital with multiple cuts, cuts to the forehead, multiple abrasions to the hands, arms and knees and back pains. A passenger, Margaret Jateff, 49, of Akron, was treated for pains in the spine, abrasions to her right wrist and right leg and was released. The Birchall woman was treated for pains to the right arm and arm, right elbow and abrasions to her right knee and was released.

**Crash Injuries 3**  
Three persons were injured and a motorist was arrested on two charges at 11:30 p.m. yesterday when an auto collided with two parked cars in the 200 block of Madison avenue, Madison.

Taken to St. Elizabeth Hospital were Joyce Ellen Wade, 29, of St. Louis and a passenger in her car, Angela A. Ladner, 31, of Cahokia, and Shirley Jean Boyd, 26, of 1746 Chestnut street, occupant of a third parked car. The Wade woman was treated for cuts on both knees and other superficial cuts and released. The Boyd woman was treated for contusions, chest injuries and a right foot injury. She was x-rayed and admitted.

Ladner suffered multiple abrasions, cuts to his face and eyes with possible injury to the vision. The Wade woman was charged with reckless driving and driving while intoxicated. Owner of the third parked car, yet reported damages to Madison police this morning.

## Student Housing Sought At SIU-SW

**Trustees Will Request  
1250 Units to be Built  
With Revenue Bonds**

**MRS. LOTTIE SCHERRER  
Dies Today**

**GC Clubwoman,  
Mrs. Scherrer,  
87, Dies Today**

Mrs. Charlotte "Lottie" Scherrer, 87, of 2554 Cleveland blvd., widely-known local clubwoman and a life-time resident of the Quad-Cities, died at 4:20 a.m. today at St. Elizabeth Hospital.

Mrs. Scherrer had been hospitalized since Aug. 29 when she was discovered lying in the hallway of her home by Don Gallia, a Press-Record newsboy. She was believed to have fallen, striking her shoulder and side, two days prior to her discovery by the 13-year-old youth, who became concerned when Mrs. Scherrer failed to answer the door on three occasions.

Born in the Chouteau area, she had resided in Granite City, 67 years. She was a former partner in Bob's Flower shop. Her husband, William Scherrer, died in 1933.

Active in several local women's groups, Mrs. Scherrer formerly served as Illinois state representative for the Rebekah Lodge. She was a member of the Peter United Church of Christ, Junia Rebekah Lodge 477, Order of the Eastern Star, Gabriel Shrine 78, White Shrine of Jerusalem and the Granite City Business and Professional Women's Club.

She is survived by one brother, Ernest Link; five nephews, Robert and Gerald Walters, Russell La Rose and William and Arthur Buente; four nieces, Mrs. Bernice Grzesek, Mrs. E. J. Gumbberger and Mrs. A. H. Gehlert and Mrs. Robert Donley; and several great-nephews and nieces.

Funeral arrangements are given in today's obituary column.

## Bi-State Harbor Revenue Tops Bond Requirements

Income from operation of the Bi-State Development Agency's public wharf and terminal at Granite City during the past year exceeded bond payment requirements for the first time and permitted an initial repayment to Granite City Steel Co. on funds advanced in previous years.

In an annual report on operation of its facilities during the fiscal year ending June 30, the agency noted today that the higher-than-usual income was received despite the fact that the harbor "continued to operate at less than full capacity" and that "shipments of bulk commodities did not increase over the previous year."

The repayment to Granite City Steel Co. is based on funds advanced by the firm in early 1966 to aid in establishment of the wharf project. Subsequently in 1964, a 20-year revenue bond issue was sold.

The report said principal payments on the bond issue remain approximately one year ahead of scheduled payments.

**Transit Revenue Up**  
Net operating revenue of the Bi-State Transit System, also a Bi-State Development Agency subsidiary, amounted to \$3,527,837, which was sufficient to meet the debt service on the revenue bonds and the debt requirements of the depreciation reserve, with \$245,973 remaining.

Revenue for the year ending June 30 amounted to \$24,084,000, or \$1.6 million more than for the preceding year. Operating expenses amounted to \$20,556,163.

Transit system officials said (Continued on page 15, col. 3)

Southern Illinois University will seek permission from the State Board of Higher Education to construct student housing on the southwestern campus. There are at present no student residence facilities on the two-year-old campus, which was designed primarily for commuters. But the SIU board of trustees Friday cited reasons why the lack of housing has inhibited sound development of SIU-SW.

Meeting at Carbondale, the board proposed construction of non-subsidized residence facilities here for 1000 single students and 250 family units. The estimated cost, \$10,530,000, would be borne through revenue bonds issued by the board.

**No Private Construction**  
Such housing was originally planned as a lease-purchase project, with private developers to supply design, financing, construction and furnishings. The SIU board said five different proposals reviewed for private construction failed to serve the best interests of economy.

University surveys show that maximum use of the proposed housing would be assured with a campus enrollment of 7000 students at SIU-SW. That figure is expected this fall.

In a brief to the Higher Board, the SIU trustees said that the social, cultural, geographic and economic characteristics of the (Southwestern campus) area create a legitimate need for residential facilities at this campus.

Housing would not impair the campus as a commuter institution, the board said, citing other specific arguments.

"There is no available public transportation in the area and a commuter institution not serviced by public transportation would represent equal educational opportunity."

2. Enrollment growth at SIU-SW has been hampered by a lack of housing. Of 4500 high school seniors polled within eight miles of the campus, 77% said they would prefer to "live away from home" at college.

## Plaque Unveiled At Dr. Binney Wing of Hospital

A plaque dedicating the 1959 section of St. Elizabeth Hospital as the Dr. R. W. Binney wing was unveiled Saturday at ceremonies in which there were talks by two physicians formerly associated with the late Dr. Binney, Dr. W. W. Bowers and Dr. J. W. Thompson.

Medical staff officers were elected during the gathering of physicians, with Dr. F. B. Dineen chosen as president, Dr. John Riley vice-president, Dr. Felicia Koch, secretary-treasurer and Dr. Robert Hill and Dr. Anthony Intire, executive committee members.

Principal speaker at the dedication was Dr. Bowers, who told the group, "The unveiling of this plaque and the re-dedication of the R. W. Binney Memorial Wing have a very special meaning for me, because Dr. Binney was my friend," Dr. Bowers told the gathering.

"I was associated with him from 1899 to the time of his death in 1922. During this time I knew him well and knew the great good that he did for the community, both as a physician and as a civic-minded citizen."

"The principles of life as laid down by Dr. Binney and exemplified in his life have won for him an honored place in the ranks of Granite City's foremost citizens."

"He possessed those rare and important qualities that made him a successful citizen and a great physician."

**Dean of Physicians**  
"He was fondly known as the dean of physicians, and there were few if any of the local doctors who had not benefited from their contact and association with him."

"Dr. Binney was born in Madison county Nov. 26, 1872. His parents were Walter and Christina Binney. There were seven sons and three daughters, and Robert Webster was the youngest. Two of his brothers, John and Charles, also were physicians."

"He graduated from Washington University in 1897 and located in Granite City the same year. He was progressive and when he first came to town he saw his patients on foot, then by bicycle, later by buggy and by horseless carriage. I am sure that if he were here today he would be seeing his patients on the hospital scooters."

"Just as Dr. Binney kept up with the latest in transportation, so also did he keep up with the latest in surgery. In 1924, he was the first to use the (Continued on page 15, col. 3)

## Riot Control Exercises Held Yesterday at Depot

Gunfire resounded throughout the Granite City Army Depot yesterday when more than 900 troops of the 880th Engineer Battalion of the Missouri National Guard participated in riot control exercises.

A realistic approach was carried out with smoke bombs used to simulate tear gas and burning buildings.

Hundreds of rounds of blank ammunition were fired during the day-long exercises that started about 10 a.m. and reached a climax shortly before noon, when the depot headquarters building, designated as the city hall for "Granite City, Mo.," was rushed by the rioters.

**Realistic Mob**  
The "mobs" jeered the troops, and there were rooftop snipers to fight. The troops controlled the mobs with fixed — but sheathed — bayonets. Members of the National Guard also were in the roles of rioters and spectators.

A recent U.S. Army edict requires at least eight hours of field exercises in riot and disaster control. A similar exercise was held simultaneously yesterday at Jefferson Barracks, Mo., for troops of the National Guard unit of the Missouri National Guard.

Police reported that an American flag next to the altar was set afire, as was the Bible at the front of the altar and the hymnals on the church organ. Fires also were set in two classrooms and in two other locations in the church. Firemen were called to the scene shortly after the break-in and none of the fires caused extensive damage.

The intruders broke the glass out of a window on the southwest corner of the building to gain entry and apparently left through a rear door.

Police said they are questioning several juveniles in connection with the case.

**\$12,000 Fire Probed;  
Shots Fired at Men**

The state fire marshal and Madison County sheriff are investigating suspected arson in a fire that destroyed a \$12,000 house being built by Howard Foley, 47, of 715 Broadway, Venice, north of State Aft. 25, a mile east of the Arlington (Continued on page 15, col. 3)

Tom Kaimann, a neighbor, obtaining his 12-gauge shotgun when he saw an auto with its lights out approaching the Foley property, fired five times after hearing a man laugh and seeing flames come from the house. He heard a cry after the third shot, but the car left with two men.

After summoning State Park firemen, Kaimann ran to the house, where he discovered a five-gallon can of gasoline. The building, ready for brick and plaster, was not insured.

The demolition and its control by Guard troops were dictated by a prepared scenario creating simulated riot conditions. Participating troops were not briefed ahead of time as to these conditions and were called to the scene by the "agencies" as they developed.

**7 Undergo Surgery  
At Local Hospital**

The following have undergone surgery at St. Elizabeth Hospital since Thursday:

Pearl Kennerly, 2528 State street; Eurrell Rushing, 206 Thirteenth street; Linda Boone, 4119 Benning street; Agnes Garin, 2837 Idaho street; Ann Milovich, 2124 1/2 Fourteenth street; Lillian Zeigler, 704a State street; Madison; Kathryn Paschke, 3013 Mayville road.

After summoning State Park firemen, Kaimann ran to the house, where he discovered a five-gallon can of gasoline. The building, ready for brick and plaster, was not insured.

Also received by Miloski was a letter from George Meany, president of the American Federation of Labor and Congress of Industrial Organizations of the United States, in campaign cooperation by organized labor and United Funds and Community Chests.

The letter from Meany states that the labor group has supported the fund campaigns for the past 25 years. "As we begin the second quarter-century of common effort for the public good, I assure you that the United Way campaigns this year will again have the support of the affiliates and members of the AFL-CIO," Meany said.

"They will continue to give generously of their time and money to help meet the social needs of America, both at home and abroad."

Chairman Miloski said today that full cooperation of all the agencies is being sought for this year's five-week campaign to raise \$384,000 for the 20 local agencies.

## Madison Man Killed Today In Holdup Try

**Found at Hospital  
Door Here; 3 Other  
Persons are Wounded**

A Madison man was shot fatally and his brother wounded critically shortly before last midnight in the attempted robbery of the St. Clair Buffet, a tavern at 1131 St. Clair avenue in East St. Louis.

A barmaid at the tavern and a customer were wounded in a gun battle that started when the barmaid picked up a revolver and started firing at the robbers.

Abraham Pickett, 25, of 910 Webster street, Madison, was found by a St. Elizabeth Hospital aide just inside the rear door of the hospital which he apparently entered seeking help about 20 minutes after the shooting. He had been shot in the stomach.

A few minutes earlier, Pickett's brother, Henry, 25, also of the Webster address, walked into the hospital, bleeding from serious bullet wounds to the abdomen. He was treated and transferred to Jewish Hospital, St. Louis, where he was reported in critical condition.

**Three Men Arrested**  
The attempted robbery and the shooting were followed within a few hours by the arrest of two other men in Venice and another in Madison. All three were turned over to East St. Louis police.

Venice police, accompanied by Madison and East St. Louis officers, picked up Floyd Jenkins, 24, of 1215 Calhoun street, Venice; and Maurice Williams, 23, of 154 Lee Wright Holmes, Venice; at 2:30 a.m. then went to the Madison address where four men took part in the attempted robbery, three of them entering the tavern and the fourth waiting in a car. The officers told the Press-Record that Williams denied any part in the robbery and maintained he had loaned the car to the Picketts earlier last night.

Police said inspection of Williams' car, identified as that used in the robbery attempt, revealed blood stains on the right front floor, the back seat and on the floor mats.

Two live revolver cartridges were found on the floor, officers said.

**Grand Jury Quiz  
In Harder Murder  
Case is Sought**

A request to examine grand jurors being impaneled today for possible prejudice in the William Harder murder case was made by defense attorney John Gitchoff of Granite City.

In his motion, Gitchoff said that if the grand jurors found to be prejudiced or have pre-conceived notions, they should be excused and the selection continued until an impartial panel is picked.

Gitchoff was charged with slaying of Harder are London Ray "Pug" Fisher, 35, of Ruffalo Route One, and Eugene D. "Mooney" Carroll, 33, of 1227 East 22nd street. They were bound over to the grand jury last week.

Gitchoff also is asking that a court reporter be on hand when the Harder case is presented by the state's attorney's office.

**No Venue Change**  
He has charged that the public has been prejudiced because of newspaper articles on the murder case, but that under state laws a change of venue cannot be provided at the grand jury level.

## Wounded Marine is Home from Vietnam

Marine Pfc Billy Joe Thomas, 19, who was seriously wounded in action July 4 near Quang Tri, Vietnam, arrived home last week from the Great Lakes Naval Hospital, Great Lakes, Ill., to spend a 23-day leave with his parents.

A son of Mr. and Mrs. William Thomas, 4154 Madison avenue, Madison, the serviceman has been a patient at the naval hospital since July 11, when he was transferred to the United States by plane from the U.S. Naval hospital ship, U.S.S. Sanctuary.

Pfc Thomas sustained fragmentation wounds to his right hand and forehead and several fractures of his left leg from a mortar shell which exploded in his unit's defensive position on July 4. He is still encased in a cast from the foot to his grandmother, Mrs. Minnie Thomas of Madison, reports, but added "he is able to get around quite well aided by crutches."

The youth entered the service one year ago and had served in Vietnam about one month when wounded. He attended Venice and Madison schools and was employed at the Granite City Army Depot commissary and at the Schermer Brothers Supermarket prior to joining the Army.

## James Aldridge, 85, Dies; Ill One Year

James M. Aldridge, 85, of 2225 Dewey avenue, succumbed to an 18-month illness at an Alton hospital at 12:45 p.m. Thursday. He had been hospitalized one year.

Mr. Aldridge was born in Union county, Ill., and had lived in Aldridge, Ill., before moving to Granite City 40 years ago. Prior to retirement in 1947, he was employed for nearly 20 years as a weigher at Union Star and Refining Co. His wife, Mrs. Elmyr Aldridge, died on Jan. 3, 1962.

Surviving are six sons, Fred, James and Donald Aldridge, all of Granite City; Harry Aldridge of Phoenix, Ariz.; Frank and Ernest Aldridge of Belleville; ten grandchildren and 13 great-grandchildren. Funeral services were held Saturday. Details are given in today's obituary column.

## Rules for Political, Other Meetings at SIU

The SIU board of trustees Friday clarified its policies on use of university facilities for political events.

Board members adopted a resolution which consolidated the various policy decisions approved over a period of years. The restatement was requested by the newly-created University Information and Scheduling Centers on the Carbondale and Southern campuses, charged with maintaining a schedule of all campus events and serving as the agent through whom the scheduling must be cleared.

It specifies primary use of all facilities for the school's basic role of instruction and research but also recognizes the university's service responsibility to the people of Illinois. It provides for a review committee on each campus to resolve scheduling conflicts.

In political matters, the resolution offers free use of appropriate facilities for a meeting such as on the national, state and county levels "for any political party listed on the current state ballot." The resolution makes provision for handling requests from organizations planning to charge admission fees or solicit contributions.

## Further Plans Made For Talk by Dirksen

Further plans for the annual Tri-Cities Chamber of Commerce installation dinner at 6:30 p.m. Thursday, Oct. 12, at Granite City high school were available soon at \$8 a person, and reservations may be made by contacting the Chamber office. U. S. Senator Everett M. Dirksen, minority leader, is to be the speaker. Chamber officers elected at the Oct. 3 board meeting will be installed and new directors will be introduced.

## Tonight's Council Meeting Reset For 8 P.M. Friday

Granite City council members will not meet tonight.

Most of the 16 aldermen are in Springfield, convening with the Illinois Municipal League.

Last week, a resolution was adopted by the council resetting tonight's meeting for Friday, Sept. 29, at 8 p.m.

Mayor Partney objected to the change to Friday, saying he had a prior engagement. He suggested Wednesday or Thursday night for the meeting, but the council voted for Friday.

Given \$125 allowances to attend the convention, now in progress were City Atty. Allen, Treasurer Rich, Comptroller Stevens, Street Supt. Warfield and Aldermen Bartoski, Basch, Boyd, Dallas, Fry, Green, Johnson, Nunn, Farmley, Poulos and Robertson.

## 60 SIU Staff Additions Include Prof. Moore

More than 60 names were added to the faculty rolls at SIU Friday. Most were in the lower academic ranks and re-designated members or strengthened departments in which advance registrations indicated increased load.

Classes started Thursday for the fall quarter at both campuses. New students will be accepted. The administrator, who spoke Tuesday evening at Frohardt school.

Dale Kimberly Moore was added to the SIU-SW faculty as professor in the Fine Arts Division. A soloist with several Ohio symphony orchestras, he has been an associate professor at the College of Wooster.

In other action, the board voted to permit qualified high school seniors to enroll for college courses. "Exceptionally capable" high school students now have assurance of early admission to SIU while still in high school. Factors in evaluating seniors will be class rank, test results and teachers' ratings.

## Baby Taken from Home, Recovered by Police

Granite City police, armed with a search warrant, recovered a 15-month-old baby about 7:30 a.m. Saturday from the home of a Granite City man said by police to be the child's father. Police said the child was taken from the home of his mother about 1:30 a.m. that day while she was absent from the house and an older child was home.

The man took the baby to his home. Police went to his house at 4:30 a.m. but he refused to admit that he had the infant, noting that the officers had no search warrant. A warrant was issued and police returned; the man offered no resistance and the child was found lying on a bed.

## What's the cost of a good college education?

Plenty! If your child is deprived of one. Or if you have not prepared sufficiently to pay for one. Or if you are not on the scene to make sure your child has the money for college. Life insurance can guarantee that your child has the money to go to college, whether you are here or not. And, by starting now, when your children are young, the cost of educating them in later years will not pinch you financially. **AUTUMN BRIDE.** Mrs. Larry W. Meyer, the former Brenda Cockrum, a daughter of Mr. and Mrs. Raymond Cockrum of Rural Route One, was married Saturday at the Briarcliff Pentecostal Church.

## Miss Brenda Cockrum and Larry W. Meyer are Wed

Among the early autumn weddings was that Saturday evening of Miss Brenda Cockrum, a daughter of Mr. and Mrs. Raymond Cockrum, Rural Route One, and Larry W. Meyer, whose parents are Mr. and Mrs. LaVern Meyer of Cahokia, Ill. The candlelight ceremony was performed at 7:30 at the Briarcliff Pentecostal Church by the Rev. Ross Smith.

Palms and ferns decorated the church, and music was furnished by Mrs. Jean Bald, organist, and Walter Ebling, vocalist. The wedding reception was held in the Red Room of the Travelodge.

The bride was given in marriage by her father. She wore a gown of pearl de sole and lace. A full chapel train formed of rows of lace ruffles was attached at the waist line with a fabric bow, and lace inserts trimmed the fitted bodice and bracelet-length sleeves.

A veil of tulle was held in place with a peaked headpiece, and the bride carried a cascade bouquet of white carnations, and sequins with a white orchid corsage in the center.

Mrs. James Christoff was matron of honor, and Mrs. Rita Cockrum, a sister-in-law of the bride, and Miss Linda Deal were bridesmaids.

## Tea to Honor Teaching Nuns

The Altar Society of Sacred Heart Church met Thursday evening in the school cafeteria. Rev. John Sullivan offered the opening prayer, and Mrs. Pat Cooper, president, conducted the meeting.

Thirty-five members and three guests were present. The latter were Mrs. Leo Roman, Mrs. Jerry Walker and Mrs. Milton Worthen Jr. Arrangements were discussed for a tea Oct. 8 honoring the teaching nuns at the school and Mrs. Margaret Salich was appointed general chairman. Mrs. Richard Francis and Mrs. Eugene Forry were named to the decorating committee. Also on the agenda were plans for a rummage sale Oct. 14 at Vassau market, Highway 67, and Madison, with Mrs. Frank Balcer in charge of that committee.

Refreshments were served by Mrs. Cooper and officers on her staff, and the meeting closed with prayer by Rev. Thomas Treese.

## INCLUDES GUESTS AT CLUB PARTY

Mrs. Fred Schuler, 2596 Waterman avenue, entertained the Octagon bridge club Thursday evening and included two guests, Mrs. Betty Kozer and Mrs. Opal Ryan.

## District V Garden Clubs To Hold Meeting Friday

Members of local garden clubs were in Collinsville Thursday to attend a board meeting of District V, Garden Clubs of Illinois, Inc.

Mrs. Harold E. Wolfe, Belleville, district director, presided over the meeting at the Round Table Restaurant.

Presidents of the 14 affiliated clubs were in attendance and reports were submitted by the standing committee chairmen.

The semi-annual meeting is scheduled for Sept. 29 at Augustin's in Belleville with registration at 9:30 a.m. The Mascoutah club will be hostess group and reservations are to be made with Mrs. William Maack, 240 Lakeview drive, Collinsville.

Mrs. L. E. Copeland will be guest speaker. A flower show judge, her topic will be "Nature's Treasure Chest for Arrangers." Mrs. Copeland is a past East Central District conservation chairman and at present is flower show chairman of the East Central District.

Announcement of the annual flower show to be staged by the district was made by Mrs. J. Reed Jones of Collinsville. It is to be held at the Signal Hill Lutheran Church, Belleville, on Nov. 10 from 2 until 8 p.m.

Mrs. Finis English, ways and means chairman, reported on the cook book soon to be released containing favorite recipes from members and prominent people, including Mrs. Lyndon B. Johnson, and the national and state presidents of garden clubs. Dolls dressed by

individual clubs will be on display and sold at the semi-annual meeting. Mrs. Lottie Streck, district Blue Star Memorial chairman, stressed the need of maintaining and beautifying the markers dedicated to war heroes, two of which are located in this area, one at Cahokia Mounds State Park, and the other on Route 40 between Troy and Edwardsville.

An arboretum in this area is being established by the St. Clair county club, and Mrs. Marcelina Knudtson displayed a diagram of the project to be created on the campus of Belleville Township high school.

## Miss Spellman, Joseph Kubelka Exchange Vows

Miss Phyllis M. Spellman, 1507 North State Parkway, Chicago, became the bride of Joseph J. Kubelka, son of Mr. and Mrs. Joseph C. Kubelka, 1715 Elizabeth street, Madison, Saturday in Verona, Wisc. Miss Spellman's parents are Mr. and Mrs. T. Francis Spellman, Verona.

The wedding took place at St. Andrew's Church, with Rev. Fr. Brecht officiating at the double ring ceremony.

Gold and bronze 'mums' were used for the church decorations. The bride's father gave her in marriage.

She was lovely in an ivory silk gown with a full-length skirt and a full-length train. The gown was re-embroidered Alencon lace flowers on a semi-fitted A-line skirt. A train attached at the shoulders with bows of the same material was trimmed with re-embroidered Alencon lace flowers. The three-quarter-length sleeves had trumpet styling.

The shoulder-length bridal veil of illusion net was in a bouffant bubble style. It was attached to a nylon and lace crown, with "petals" radiating around the crown.

The colonial bouquet carried by the bride was of gladiolus and daisy 'mums', centered with sweetheart roses and green ivy. The flowers were ivory and pale yellow.

Miss Susan M. Diehl was maid of honor, with Miss Margaret A. Spellman, sister of the bride, as bridesmaid. Twins, Mary and Joseph Spellman, sister and brother of the bride, served as flower girl and ring bearer.

The flower girl was attired in an Empire-effect gown with three-quarter sleeves of pale gold and trimmed with pale yellow ribbon on the bodice. A matching yellow headband was worn. She carried a natural straw basket holding bronze and gold 'mums'.

The maid and bridesmaid wore identical Empire-effect gowns with three-quarter-length sleeves. The bodice and sleeves of each dress were of gold brocade satin, as was a panel attached at the top of the square-cut back. The straight skirts were of pale yellow crepe.

Their headpieces were gold stand-up loops of gold satin with gold illusion veiling. The attendants carried bronze and yellow 'mums' arranged in colonial-style bouquets with gold and yellow ribbons.

William Andre of Madison served as best man and the groomsmen were William F. Spellman, a brother of the bride, Ushers were Michael Spellman, a brother of the bride, Donald Talley and Jim Karanges.

The bride was formerly employed as a secretary at Hart, Schaffner & Marx. The groom is employed by the Leclade Steel Co., Madison.

The newlyweds will reside at 22nd street and Delmar avenue when they return from a wedding trip to the Wisconsin Dells. A reception and dance was held at the Legion Memorial Hall in Verona.

Those attending the wedding from here included Mr. and

## Engagement Is Announced

One of the first engagement announcements of the early fall is that of Miss Linda Jones, a daughter of Mr. and Mrs. Harry Adamson, 2709 Ralph street, and Sp. A. John H. Eckmann, son of Mr. and Mrs. John J. Eckmann, 3466 Fairmont avenue, Collinsville.

The bride-elect was graduated from Granite City high school and is presently employed as a stenographer at General Steel Industries, Inc. Her fiancé was graduated from Collinsville high school and is in the U. S. Army, stationed at Fort Hood, Tex.

## FIRST BIRTHDAY OF WENDY WICKHAM

Mr. and Mrs. Larry Don Wickham, 1714 Chestnut street, entertained guests Friday evening in their home in honor of their daughter, Wendy Darlene. She was celebrating her first birthday.

Cake, ice cream, gelatin and punch were served and games enjoyed. Prizes were won by Eleanor Rayman, Carol Avedisian and Patricia Wiggins.

Gifts were presented to all the children who attended.

Those present were Mr. and Mrs. Kermit Wickham and son, Dennis, and daughter, Shirley, Bennie Camacho, Mrs. Mary Schmitt and daughter, Michele, JoAnn Avedisian, Mrs. Lucille Wiggins and son, Ronald, Mr. and Mrs. Charlotte White, Janice Smith, Mrs. Bonnie Wickham and daughters, Christie, Jolene and Marsha, and Mrs. Jan Polack and children, Judy, Pam and Charles.

## VACATIONISTS RETURN

Mr. and Mrs. Joseph Michalis, 2886 Iowa street, have returned from a vacation of slightly more than two weeks in the West. They were guests of their son-in-law and daughter, Dr. and Mrs. James Stoffler and their family in Greeley, Col., and also visited Boulder, Canon City, the Air Force Academy and other points of interest in and near Colorado Springs, and Denver, returning home by way of Keokuk, Iowa, where they were guests of Mrs. Michalis' brother and sister-in-law, Mr. and Mrs. Frank Gruber.

## McKINLEY PTA WILL OPEN SEASON

The first fall meeting of the McKinley school PTA will be held at 7:30 p.m. Thursday, Sept. 28, in the school auditorium.

The new principal, Edward Gonva, will introduce the teaching staff, and Owen Humphrey, curriculum coordinator for the Granite City schools, will speak on the new ungraded system now being used by McKinley school. Refreshments will be served in the cafeteria after the meeting. Mrs. Bonnie Wickham is president of the PTA.

## ANCHORAGE PROGRAM

A musical program will be presented by the Salvation Army at 7 o'clock this evening in the Anchorage recreation hall for residents and their friends.

## Area Library System Member at Conference

Mrs. Mary Howe represented the Lewis and Clark library system at a conference of library system directors Friday at Springfield.

Fifteen of 18 systems created under the 1965 Illinois Library Development Act were represented. The state provides one-time establishment grants and continuing annual grants to systems which in turn aid local libraries in expanding their services.

# Lancers' Potent Passing, Running Too Much for Warriors, 27-0

Overwhelmed by a surprisingly strong offense, the Granite City high school Fighting Warriors lost 27-0 to Belleville East in their initial home game before an estimated crowd of 1800 fans Friday night.

Quarterback Jeff Sackett, who had thrown two touchdowns passes in a 20-14 loss to Edwardsville the previous week, led the Lancers to victory by throwing two more passes for touchdowns to Halback Steve Gausche and John Reichert. The other two TD's were called by Fullback Bob Walhig who also kicked two extra points and

gained 101 yards in 13 carries. Gaining yardage was no chore for Belleville East, which led GCHS 24-138 yards in running and 131-45 in passing.

Blocked Kick, Pass for TD. Hampered by penalties, the Warriors moved nowhere after attempting the opening kickoff. When they punted, the kick was partly blocked and rolled to the GCHS 37. On the first play, Sackett passed to Reichert, who stepped across for a TD. The kick for extra point was blocked.

The Warriors brought the spectators to their feet with a drive deep into Lancer territory, aided by a run by Dave Salich from the GCHS 35 to the Belleville East 46. Ron Laws consistently found holes in the Lancer defense for long and short gains.

However, the march bogged down on the 17 when, with fourth down and 11 yards to go, a pass fell incomplete.

A 68-yard TD pass play from Sackett to Dave Chapman was called back.

After ground gains by Belleville East, Sackett uncorked a 40-yard pass play to put the ball on the Granite City four-yard line.

A holding penalty against the Lancers and two runs put the pignin on the 11 and Sackett then threw a short screen pass

to Gausche for the second touchdown and a 13-0 score at the end of the first quarter.

Fumble Ends GCHS Drive. A Warrior drive in the second quarter reached the Lancer 15 before a fumble gave the visitors possession. Belleville East then powered its way the length of the field, Walhig scoring from the six after a Sackett-Dave Chapman lateral and a run by Reichert.

Halftime score was 20-0 and it stayed that way through the third period, the deepest drive being a Warrior advance to the Lancer 27.

The fourth quarter began with GCHS in control on the enemy 35 but again the Lancer line stood the test. When the Warriors prepared to punt, a bad snap from center was downed on the 37.

This set the stage for the final scoring march, capped by Walhig's five-yard run. Jim Voelkel kicked the extra point for a 27-0 lead.

Trailing 11-14 in first downs, GCHS hit on only five of 16 passes to the visitors' six of nine. Each team intercepted one pass and there were two Warrior fumbles and three Lancer fumbles.

Ron Laws carried the ball 10 times for a gain of 83 yards. Dave Anderson earned 29 yards on six carries. Ron Sheppard

## Coolidge Gridders Edge Bethalto 27-24

Coolidge junior high opened its 1967 grid season with a 27-24 verdict over powerful Bethalto before a local crowd of 600 fans. Coach John Tencoff cited effective downfield blocking and hand-balling by both teams.

Coolidge scored on a 40-yard pass play from Dennis Harris to Ned Tapp, a run by Dennis Harris, a 35-yard right end sweep by Tapp and a 15-yard jaunt by Tom Mitchell.

Flat passes by Bethalto kept Coolidge in trouble but Joe Wallace made a key defensive play with 95 seconds left in the game, intercepting a pass on the Coolidge 35.

## Trojan Frosh Win 13-7 in First Game

Madison high school freshman football was initiated Thursday afternoon at MHS with a 13-7 win over Prather. Harry Boyd scored on a seven-yard run and Austin Lewis on a quarterback sneak, while Dwayne Shaw gained 150 yards on the ground and intercepted two passes for returns totaling another 30 yards.

A 30-yard TD pass play from Quarterback Ken Yardley to Halfback Joe Stenmer put Prather on the scoreboard. The team was hampered by offside penalties totaling 80 yards. Linebacker Dale Miner made 26 tackles for Prather.

## Two Gaming Stamps Issued to Truck Stop

Two federal special tax stamps for coin-operated gaming devices have been issued to Hon. S. L. Myers for the Busy Bee truck stop, 4200 Highway 162, and have been registered with the office of Miss Eulalia Horz, county clerk.

The \$250 stamps cover operation of pinball machines or similar devices.

Only one previous stamp has been issued in the Quad-City area by the Internal Revenue Service at Springfield during the current fiscal year which began July 1. It was obtained by Alice Daniels for "The Diner" at Broadway and Market streets, Venice.

## Price Addresses Local 743, New GC Teachers

Cong. Melvin Price spoke at the annual American Federation of Teachers Local 743 dinner dance for new Granite City teachers Friday night at the Lewis & Clark restaurant, saying one of their main challenges is to develop individuality in students despite the trend to conformity in a mass society.

Price stressed the importance of education in the midst of rapid change in the world, and urged that youngsters be taught to choose positive participation rather than negative attitudes toward life. He defended increasing militancy by teacher groups nationally.

Over 250 attended and President Robert Johnson presided. Guests included Rep. Leland Kennedy, Assistant County Supt. Harold E. Briggs, Granite City Board President Monroe Worthen and Supt. B. J. Davis.

The Madison high school football Trojans tucked another victory under their belts here Friday night as they beat Western Military Academy of Alton 33-12.

It was close until the fourth quarter, when MHS scored its last 14 points. Five pass interceptions by Madison proved decisive.

The game brought to a close a two-game season-opening home stand for the Trojans, who will start their Midwestern Conference schedule this Friday at the Highland field.

"This game was a test for the boys to see what mistakes we still need ironed out," Coach Harlan Schiebel commented.

"We won the game, but neither I nor my coaches were completely satisfied with the boys' performance. We still have a lot of work on our defense to do before Friday's game."

The big surprise for our team was the defense that Western continued to throw at us. They would use a five-man line, four linebackers and two safeties. All week we had practiced who throws the ball against what position. Despite this the defense confused us temporarily, but we overcame it later in the game."

**Fumble Leads to Touchdown.** It didn't seem to the fans that the Trojans were having their troubles, though, because Madison scored after only four minutes in the first quarter, sending Fullback Titus Shipp over for the first of his three touchdowns.

The drive started when John Ervin recovered a Western fumble on the WMA 35-yard line. Jim Scott, Trojan quarterback, used talent all around him as he threw look-in passes to Tom Weston and Martin Griggs and sent Shipp on power plays.

Shipp scored from one yard out and Harold James kicked the point after touchdown.

In the second quarter, Western's quarterback, Bob Hale, threw a pass that was intercepted by Scott in enemy territory. Scott then handed off to Shipp, who evaded Western tacklers to score on a ten-yard run. The kick for extra point was blocked.

The Trojans held Western after the next kickoff, but fumbled on their own 20-yard line. The Raiders took advantage of the field position, Ed Ambo catching a pass to set up a one-yard touchdown drive by John

Hale. The score stood at 13-6 when the PAT kick failed.

**Halftime Ends Threat.** Western continued to threaten in the second period, advancing the ball to the Trojan six before time ran out.

The Raiders proved they could control the ball in the third quarter, during which the Trojans were able to get the ball for only three plays—one of them Scott's one-yard quarterback sneak for a touchdown after Western had intercepted a pass and carried to the four. This made the score 19-6, the kick being blocked.

Western took the ball on its own 17 yard line and marched as if parading on a Sunday afternoon, using short passes to reach the five-yard-line, from where Halfback John Stone carried the ball across for a 19-12 score. The extra point kick failed.

The Raiders again showed good ball control in the first two minutes of the last quarter, but then tried for long yardage on passes. Madison intercepted twice.

Shipp intercepted one aerial and carried the ball downfield to the Western three. On the next play he carried the ball over the goal for another six points and a more comfortable lead for the Trojans. James' kick was good, making the score 26-12.

Willie Ackers next intercepted and scampered 30 yards for the touchdown. The kick by James was good.

Statistically, Western was the winner with a rushing advantage of 149-109 yards and 78 yards passing to Madison's 52. The Trojans completed four of 12 passes, with two intercepted, and the Raiders completed four of 15. Each team lost two fumbles.

Western led in penalties, 62 to 53 yards, and in punting averaged 26 yards to Madison's 33.

## Punt, Pass, Kick Contest Oct. 12

Annual "punt, pass and kick" competition will be held Thursday, Oct. 12, at 1 p.m. at the Granite City high school football field.

Dick Yates, director of the program for the past seven years, said a proposed date of Oct. 8 was changed so it would not interfere with local fans attending the baseball world series.

Oct. 12 is Columbus day and a holiday for local youngsters.

### Apply Now to Retain Same License Number

Secretary of State Paul Powell today reminded motorists who wish to retain their present license numbers for 1968 that the deadline for having their applications in his office is Saturday, Sept. 30. The request for reassignment of the number should be made in the "remarks" section of the application blank.

Secretary Powell also called passenger car owners' attention to the new fee schedule for 1968 registrations. The fees now are \$3 for cars 25 horsepower and less; \$12 for those over 25 horsepower but not over 35 horsepower; \$18 for those over 35 horsepower but not over 50 horsepower; and \$24 for those over 50 horsepower.

An additional item of information now required on the application is the owner's social security number. Applications not completely filled out will have to be returned for the missing information, causing delay in processing and possibly in delivery of license plates.

**PROPOSED JUNIOR HIGH SCHOOL BOUNDARIES** in the Granite City school district after the opening of Grigsby school in August 1968. The Webster and Wilson grade school areas shown in dotted lines are assigned to Central junior high for the seventh

and eighth grades and to Coolidge junior high for the ninth grade; all other parts of the Central school zone go to Prather junior high for the ninth grade.

### Proposed Junior High Boundaries Outlined

Where will my junior high school child attend next fall? This question will be answered for families in the Granite City school district Oct. 9, when the school board takes action on proposed new boundaries made necessary by construction of Grigsby junior high school.

In the meantime, information on the junior high school districting is available to the public at the school administrative office, 2014 State street. A map of the new lines accompanies this article.

Suggestions from residents who may be inconvenienced by the plan may be relayed to Frank Kraus, assistant to the superintendent. The comments then will be considered by the board in determining the final boundaries.

The redistricting will go into effect with the opening of the new junior high in August 1968. Kraus heads the redistricting

committee, with Mike Sikora as co-chairman. Members are Raymond T. Jones, Mrs. Georgiana VanBuskirk, Arthur Menendez, Ted Vrenick, William Breidenbach, Bob Anderson, Richard Barnett, Eugene Monahan, Mrs. Estelle Massie and Mrs. Carol Hornback.

**Ease Coolidge Crowding**  
Basic decisions were based on five goals:

1. Grigsby should begin with at least 700 students.
2. Coolidge must be relieved of some of its students.
3. Students living near Grigsby must be included in that school (those living within a mile and a half of a school need not be transported under state law).
4. Mileage must be calculated for bus students to avoid excessive costs to taxpayers.
5. Central and Prather should also be relieved of some students.

The committee utilized November 1966 enrollment figures but has rechecked them this month and found the numerical estimates are still accurate. Many combinations of elementary school zones were tried before a satisfactory result was obtained.

**Natural Barriers**  
Where it was necessary to divide grade school territory between two junior high schools, a natural barrier such as a road or railroad track was used.

"We tried to avoid moving too many of the present boundaries; this has always been a problem," a statement by the committee related.

"All of the school populations were projected through 1970-71. A big problem is not knowing the number of people who could move into the undeveloped areas in the Grigsby

district. After three years, a new study will need to be made. "There undoubtedly will be some people disappointed in the attendance center designated for their children, but the committee tried to be fair and impartial in setting up new boundaries."

**Three-Year Projections**  
Over the next three years—1968-69, 1969-70 and 1970-71—the committee projects enrollments as follows: Grigsby, 703, 743 and 790; Coolidge, 1275, 1283 and 1323; Central, 569, 583 and 600; and Prather, 827, 839 and 904.

At present, Coolidge has 1893 students, including 453 seventh, 445 eighth and 706 ninth graders. Prather has an 828 enrollment, consisting of 231 seventh, 230 eighth and 367 ninth grade pupils. Central has 738, including 356 in the seventh grade and 358 in the eighth grade.

The 3169 total is expected to rise to 3534 next fall, 3408 in 1969-70 and 3577 in 1970-71.

**Two Grades at Central**  
The tentative districting plan to be considered Oct. 9 continues the practice of having Central serve seventh and eighth graders only, with all other junior highs teaching the seventh, eighth and ninth grades.

Of the five grade school zones assigned to Central, Webster and Wilson switch to Coolidge for the ninth grade and Lake, Emerson and McKinley move to Prather for the ninth grade. All Frohardt, Marshall and Niedringhaus grade school pupils will advance to Coolidge. All Stallings children will attend Grigsby when they reach junior high age. All Logan and Washington pupils will advance to Prather.

The redistricting becomes somewhat more complicated regarding the remaining four grade schools and Lake.

### Don is Born to Former Resident

Dr. and Mrs. Barry W. Gush-left of Ellisville, Mo., are announcing the birth of their first child, a son, Thursday. The baby weighed seven pounds, seven ounces and has been named Michael Barry.

The mother is the former Janet Conley of Kirksville, Mo. Dr. Gush-left's parents are Mr. and Mrs. William G. Gush-left, 712 Madison avenue, Madison.

**Maryville students in the Hills**  
Terrace area will attend Prather, with all others from the Maryville grade school area going to Grigsby.

**Nameoki grade school area**  
students east of Maryville road will attend Grigsby, with the others from Nameoki attending Coolidge. An additional exception is that those west of Illinois Route Three (old Highway 67) will attend Prather.

In the Parkview elementary school area, students east of Maryville road will attend Grigsby and others will attend Coolidge.

Of the ninth graders who attend parochial schools through the eighth grade, Coolidge will serve St. Elizabeth, St. Margaret Mary and Sacred Heart and Prather will serve St. Joseph. However, some St. Elizabeth students and a few St. Margaret Mary pupils are to attend Grigsby.

### Muffler Charge Filled

Jaycee J. Hutson, Caseyville, was arrested at 5:25 p.m. Thursday on a charge of driving a motorcycle without a muffler at 22nd street and Madison avenue at 5:25 p.m. Thursday.

### County's School Units Get Bus Service Funds

Madison county school districts will be reimbursed \$296,071 to help pay the cost of transportation of pupils to and from school, during the 1966-67 school year, Ray Page, state superintendent of public instruction, reported Friday.

Page said 1195 school districts in the state will receive a total of \$9,562,068. Total transportation cost amounted to \$28,175,717 for traveling 66,055,039 miles in the state as a whole, Page said.

The report added that 610,253 pupils were transferred daily to and from school, 567,628 of whom were public school pupils and 46,625 non-public school pupils.

During the previous statewide school year, total transportation cost was \$26,607,593, of which the state payment totaled \$9,055,180.

With exception of Cook county, which received state payment of \$1,197,616, and Lake county, receiving \$487,264, Madison county received the largest repayment. St. Clair county received \$382,824.

### GC Auxiliary Police Receive Briefings

Granite City Det. Sgt. Michael Devine and Madison County Deputy Sheriff John Cooper presented separate briefings last week as part of the "Law and Order" training course, now being conducted under the auspices of the Granite City Auxiliary Police Corps. Approximately 25 local and county auxiliary officers are attending the series of weekly instruction classes at civil defense headquarters, 1411 Nineteenth street. The course ends Nov. 28.

Sgt. Devine spoke on "Collection, Identification and Preservation of Evidence," while Deputy Cooper's topic involved "Detention Procedures." At tomorrow night's session, Patrolman Peter J. Handelman will instruct a class on "Field Note-taking and Report Writing."

**JAVELIN, AMERICAN MOTORS**, new entry in the sporty car field, which will go on display with other 1968 models tomorrow at the Brewer Motor Co. It is a sleek, low-profile hardtop available in two versions, standard and the SST model shown here.

## American Motors 1968 Autos to Go on Display

Paced by its new entry in the sporty-car field, the Javelin, American Motors 1968 model lineup signals a change in the company's styling performance concepts. The new models will go on display Tuesday at the Brewer Motor Co., 2163 Madison avenue.

Besides the Javelin, which represents a radical departure from traditional American Motors offerings, the company has introduced a new low-priced convertible in its Rebel line. In addition, a two-door hardtop and four-door luxury sedan have been added to the Ambassador series.

Twenty-three models provide a complete selection of body types, organized into four car lines.

In addition to the sporty-special-purpose Javelin, which appears in two hardtop versions the 1968 standard American Motors lines include:

**Rebel Series**  
The multi-purpose Rebel series, intermediate in size, with nine models in four body types and three series.

The luxury Ambassador intermediate in size, with seven models in three body types and three series.

The economy Rambler American, compact in size, with five models in four body types and three series.

The Rebel and Ambassador lines both offer three hardtop

versions, the Rambler American one. There are four-door sedans and four-door station wagons in all three standard lines.

More than a dozen new safety features will be included as standard equipment on the 1968 models. These include such items as side-of-car safety markers, illuminated on most models, safety-shaped armrests and interior control knobs and handles, seat back locks on two-door models, a new mechanical brake light switch, padding for key interior areas and components and non-glare finishes for certain interior items. Front seat shoulder belts, plus front and rear center passenger seat belts are options.

**Exhaust Control**  
Exhaust emission control requirements, applicable in all by incorporating the engine-mod system on six-cylinder engines and V-8s with automatic transmission. The air-guard air pump system will continue on all manual transmission V-8 engines.

A total of seven engines are offered in the line, ranging from 128 to 155 horsepower in the torque command six-cylinder series, and from 200 to 280 horsepower in the V-8s.

## 10 from Area File Bankruptcy Petitions

Bankruptcy petitions from 10 Quad-City residents were placed on file with the U. S. Referee in Bankruptcy at Springfield during August. They are:

Richard James Kallay, 2 Tulip lane; Jack Warren Robertson, 2019 Washington avenue; Paul Thomas Cooper, 2181 Jill avenue; Lewis Graham, 2778 Madison avenue; Floyd H. Bushong, 1636 East 23rd street.

Floyd Kelley, 2140 Bern avenue; Lester R. Vierling, Rural Route Two; Luther Lee Hankins, 4124 Kaseberg lane; Donald Ray Herrod, 2645 East 27th street; and George Richard Feeney, 709 Madison avenue, Madison.

## Pilot Program To Aid Children With Problems

Helping emotionally disturbed children, ranging in age from four to seven years, is the primary target of a new pilot program implemented within the past month or two at the Madison County Mental Health Association's Alton clinic.

Details of the new project were disclosed by Thomas J. Fitzgerald, executive director of the Alton mental health center, to Granite City Optimists at the club's luncheon meeting Thursday noon in the YMCA. Five members of the Alton Optimist Club joined 19 local men to hear the program explained. Fitzgerald said an initial group of eight youngsters is enrolled in the pilot program. All possess average intelligence quotients and the majority are pre-schoolers whose emotional problems prevent them from starting their educational training in regular classes, the director commented.

Children participating in the project are subject to intensive study and complete diagnostic treatment, including physical checkups and psychological testing. Defects revealed through the study will then be corrected and the youngsters enrolled in regular school programs, he explained.

Fitzgerald pointed out that the project is partially funded from the county tax for mental health purposes which went into effect July 1. County tax money has provided special equipment, costing approximately \$1800, and pays \$4800 toward the salary of a qualified teacher, experienced in child therapy, he said. The remainder of the teacher's salary is contributed from state funds.

"We have great expectations from this pilot program and anticipate it being used as the model on which local school systems can base similar programs in compliance with state legislation," the director commented. He explained that by 1969, all school districts in Illinois must provide at least one class for intensive treatment of emotionally disturbed children. Dr. Raymond E. Trover, Optimist president, welcomed the guests, among whom were Jerry Staten, director of the Quad-City Mental Health Clinic, and Alton Optimists, Jack Reed, club president, Michael Milligan, Edward Sutton, Walter Compagni and Edward Hayes.

**GOLDEN ANNIVERSARY**  
Mr. and Mrs. John Taratajco and daughters, June and Elaine, 65 Karen drive, hosted a buffet dinner Saturday evening in honor of the golden wedding anniversary of Mrs. Taratajco's parents, Mr. and Mrs. John Kraynak, 2802 Waterman avenue. The couple received many gifts, calls, and flowers.

Guests other than the honored couple were Mr. and Mrs. Andrew Kamias of St. Louis, Mr. and Mrs. Joseph Smith and John Vanyo of Madison, and Mr. and Mrs. John L. Kraynak, the elder Kraynak's son.

**WEEKEND GUESTS**  
Mr. and Mrs. Bert Morrison of Fieldon, Ill., spent the weekend visiting with Mr. and Mrs. James Pohlman and children, Shelly and Gene, 81 Shiloh drive. They are Mrs. Pohlman's parents.

The family made a trip to Clearwater, Mo., Saturday where they spent the day at Clark's National Park.

Mr. and Mrs. Morrison returned to Fieldon Sunday afternoon.

**Completes Training**  
Pvt. Ervin H. Mueller, 22, son of Mr. and Mrs. Ervin Mueller, Bend road and Layton road, has completed basic training at Fort Leonard Wood, Mo., and has been awarded a trophy as trainee leader. He has been reassigned to San Francisco, Calif., for on-the-job training as a soil analyst. A graduate of Purdue University, he entered the Army July 23.

**Truck Hits Standroad**  
While making a left turn from Edwardsville road onto East 20th street, a trailer bed of a truck driven by Jim C. Goins, Atlanta, Ga., struck a signal light standard at 1:40 a.m. Friday.

Mrs. Vallow served refreshments to the mentioned and Mrs. Thelma Black, Mrs. Meta Wilkins, Mrs. Grace Johnson, Mrs. Elsie Reynolds, Mrs. Minnie Martin and Mrs. Esther Draper.

Mrs. Emma Hawkins, aunt of Mrs. Fay Little, visited her several weeks at 1832 Fifth street. Mrs. Hawkins returned to her home in Foulton, Ky., Thursday by bus. She also was a guest in the home of Mr. and Mrs. Ellen, while in Madison.

**SHOWER PARTY**  
A bridal shower was given Thursday evening at the Elks Club for Mrs. Gary Taylor, a recent bride, given by Mrs. Norma Yelton, Mrs. Audrey Laird and Mrs. Velda Taylor.

The table was covered with white and crystal bud vases holding pink roses.

The bride's favorite recipe was at each place setting for favors. Mrs. Taylor opened her gifts thanking each personally. Those present were Anne Hecht, Ella Steiner, Hazel Thomas, Helen Daley, Clova Mae Howard, Josephine Bocan, Ruth Nicholas, Janice Rice, Charlene Burns, Edith Trost, Kathy Lybarger, Dorothy Lybarger, Gene Lybarger, Shirley Lybarger, Celine Lybarger, Betty Reed, Grace Hecht, June Hecht, Ruth Roberts, Annie Wofford, Karen Casey, Lorraine McIlroy, Martha Jean Hayes, Judy Donaldson, Mary Lou Lybarger, Mary Ann Lahey, Lou Webb, Pat Rutkowski, Nancy Sabo, Iva Adams, Paula Adams, Carrie Lancaster, Grace Costello, Wilma Poole, Janet Hecht, Thelma Taylor, Alice Hecht, Juanita Brown, Bonnie Shemwell, Grace Young, Virginia Dorste, Clova Taylor and Lena Williams. WHEN YOU'RE SETTLED FOR FALL in this 2 bedroom Dolhouse. Very smartly decorated with a family size kitchen. Large corner lot, enclosed with picket fence. Monthly payments of \$85.00 will beat rent any time. (Oops, forgot to mention that the attic is expendable for another room.)

LIVING IN A RAMBLING RANCHERO—with carpeted living room and hallway only 4 years old, this brick veneer has all the qualities of a Mother's dream — spacious, large closets, breezeway that would double as ironing or T.V. room (incidentally, the kids could clean their shoes here instead of always tracking), double car garage—plastered and insulated throughout.

A LARGE CORNER LOT studded with trees and shrubbery — sparkling white cottage — oversized bedrooms—carpeted living room—breezeway for midsummer relaxation—attached garage—finished basement just finished painted where the kids can play separate from T.V. area. Air conditioning is also provided. Make your call now for this well kept package.

MOVING IN THE RIGHT DIRECTION—that is, a new, new, brick veneer ranch with family room and two baths that eliminate all of the early morning rush—double car garage provides plenty of bad weather shelter for the kids—full basement—excellent quality materials and craftsmanship—incidentally both baths are ceramic tiled and have vanities.

## Pupil Poster Contest By Tuberculosis Group

The Dangers of Cigarette Smoking is the theme of a poster contest open to Illinois students in grades through 12, Earl E. Green, president of the Madison County Tuberculosis Association said today. The contest is being sponsored by the Illinois Tuberculosis Association.

Judging by a panel of experts will be based on each poster's effectiveness, originality, factuality and artistic value. All entries will become the property of Illinois Tuberculosis Association and none will be returned. Poster entries must either point up the advantages of non-smoking or the dangers of cigarette smoking to health, or both. Materials for guidance in selecting factual information may be obtained from Madison County Tuberculosis Association, P. O. Box 158, Wood River, Illinois, 62695.

The contest is open to students in three categories: grades 4 through 8, 9 through 10, and 11 through 12. The top three entries in each category will receive a \$25 U. S. savings bond. Each school represented by a winning student or students will receive \$25.

Posters must be the work of one student, limited to one poster per student, and must be submitted through a local tuberculosis group. The deadline is Dec. 1. Winners will be announced Feb. 1.

Posters must be on 8 1/2 by 11 inch paper and identify on the reverse side. Identification information, printed, is to include student's name, address, name of school, school address, parents' names, home address and teacher's name.
